

SSIF Asset Growth

SSIF assets grew since the Fund's inception at the beginning of 2003 from JD 1.6 billion to reach around JD 18.6 billion as at 31/12/2025 based on the preliminary monthly financial statements. This increase came from two components: JD 10.8 billion from the Fund's income and around JD 6.2 billion from the Social Security Corporation's surpluses.

Assets Growth (JD billion)
